Weather Sends T1 Awards Ceremony Online

We've waited to see if the weather would clear, but alas, it looks cold, dark, and rainy tomorrow. Keeping in mind that we've already had poor attendance due to illness, we believe the responsible thing to do is to take our ceremony online.

The ceremony will be held over Google Meet beginning promptly at 9:00 AM on Friday. The link is listed on the right.

To join the video meeting, click this link:
