Students Who Can Go To Skate Country Friday

This Friday is our semi-monthly Fun Friday! Fun Fridays are days in which we reward our students for doing their work and give students needing catching up some extra time. **Not all students get to go.** These Fun Fridays are not educational field trips, rather they are fun rewards. In the past, parents have asked us how we determine who is going and who isn't. We want to share how this Friday's trip will be determined in order to help our parents help their students! Given that a lot of information has to be processed, we will be reviewing certain pieces of information on specific days.

Eligibility is based on three things:

1. Is the student caught up with work (no or very few missing assignments) in their classes? Teachers will determine this for their students on Wednesday.
2. Is the student passing with a 60% or higher in all subjects? School administration will determine this based on the grade books as they stand on Tuesday (today).
3. Does the student have their ten trophies in each subject complete? (five for 1st grade and three for Kinder). School administration will determine this as of Thursday.

Note: Students on Academic Probation will obviously not be able to go to Skate Country.

Trophy Challenge Round 1 Ending

The very last day to get your trophies in for 30% of your 2nd trimester report card grade and for possible Target Gift Cards is this Friday! We will be ending the trophy challenge count at midnight.

Last week our students racked up enough trophies to get another \$285 in Target Gift Cards! We are hoping to give out that much or more next week for the work done this week!

2nd Graders hanging out with a Gem Show Dragon.

New Colors for the GWC Building

After a few years of experimenting with different shades of green, we've finally settled on a bright, bold color. We are in the process of painting the GWC building with this color. Once that is done, we will be repainting the trims of all of our buildings with this new, kid-friendly shade.
