Gift Cards

We had to put a pause on gift cards as we sorted out cheating in the Trophy Challenge. Now that it has all been settled, gift cards will be going out on Monday!

Trophy Challenge Cheating

At the end of February we were confronted with over 30 students cheating on their Trophy Challenge Round One. It has taken over a week, but we have been able to appropriately handle each case with both grace and stern fairness. If your child was party to the cheating, you will be receiving an email today with the specifics. Students will also be sent home with documentation today.

If your student did not participate in the cheating but you are curious to how things like this are handled at Da Vinci Tree, please refer to the attached letter on this topic from Principal Roll. For those reading this on our web site, the letter is attached to the same news page. For those reading this newsletter via a link sent over email, a link to the letter is also included in the same email.
