\*

Yes

**25. Please describe the LEA's Governing Board policy on coordination with State and local health officials.\***

To the best of our ability, we follow CDC and PCH recommendations and requirements. We work with PCH to get COVID Tests for our school community when they are available.

## Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

### 26. How will the LEA ensure Continuity of Services?\*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

The school has taken multiple steps to ensure the continuity of services and the preservation of our students and staff. These measures include but are not limited to:

Providing flexible educational solutions for our students including traditional learning, hybrid learning, outdoor learning, and asynchronous learning.

- Giving additional PTO days to staff members who need to care for family or who have extenuating circumstances as a direct or indirect result of the pandemic.
- Building out customized physical barriers (cubicles) for both students and staff.
- Offering all students free lunches regardless of FRAM Paperwork Status.
- Hiring an additional three para professionals to give students more adults to interact and work with.

### 27. How will the LEA ensure continuity of services for students' academic needs?\*

Students are given an optional study hall every day until 5:00 PM where they can get caught up with their work while their teachers or TAs are present.

### 28. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?\*

The school has been doing our best to partner with local mental health agencies to get qualifying kids services.

### 29. How will the LEA ensure continuity of services for students' other needs?\*

This may include student health and food services.

Da Vinci Tree Academy does regular food drives to help families who are struggling. We are also actively working towards building our own food pantry for the needy.

Da Vinci Tree Academy was recently approved for the CEP grant, so moving forward all of our students get free breakfast and lunch!

### 30. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?\*

Special Professional Development is being given for teachers so that they do not burn out or leave the profession.

**31. How will the LEA ensure continuity of services for staff's other needs?\***

N/A

**The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023**

**32. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.\***

If a change is outside of those recommended by CDC or Pima County Health, we host a discussion of the change in a Board Meeting. All Board Meetings follow Open Meeting rules and are open to the public. We also regularly host fund raisers and special events in which we invite our parents to join us in conversation around these issues.

**After completing all responses in EMAC, save your information. Then, use the red download button to create a copy of your completed form to be uploaded to your LEA website. Once your form is uploaded to your LEA website, log back into EMAC to click the blue submit button and submit your form to be reviewed by your specialist. Your EMAC submission will not be approved unless this updated form is on your LEA website.**

**33. Did you upload the completed EMAC form to your LEA website?\***

Yes
